Module 3: PRO RESCUE - *(1 day)*

- 10. Bolting technics & Rescue management

FINALE EVALUATION - *(1 day)*

- 11. Test 3: On sight canyoning exploration minimum *(V4.A5.III)*

The aim of the test is to demonstrate the ability to safely descent through an unknown water canyon with a group of teammates of the same level in the style of "on sight".

For this test will be selected a canyon with difficulty A5, which will require very precise and careful preparation and summarization of all information for a safe, careful and creative descent.

Rating description:

1. The prospective instructor must demonstrate the skills and, more specifically, the wild water skills they have already learned during the training course.

2. Demonstrate his skills and develop his analytical skills so that he can proceed safely.

- Certification
- Information on the next level of education
- Swift Water Advanced
- High Vertical PRO Leader
- Expedition Le*ader*

We wish you an awesome training course.

OUR LOCATION

We are pleased to welcome you to this amazing place!

THE PLACE

Our canyoning center is located just 300 m from the main square in Bovec. You will find us by the main road downhill towards the petrol station on the left. Purple Rocket is part of the Garni Hotel in Bovec. You can find us here.

Purple Rocket base camp also contains 11x apartments, where we accommodate a total of 55 people in comfortably furnished apartments, where is always a separate and full prepared kitchen, including bathroom and WC.

The emerald valley of the river Soča offers fantastic scenery for a whole year. Our base is located in Bovec on the border of Slovenia and Italy, and on both sides of the border awaits you a perfect canyoning adventure. The Julian Alps offer a wealth of canyoning experience, and the tight Friuli area is a great arena for your canyoning trips. ***Welcome.***
